AS ADOPTED BY THE BOARD  
ON FEBRUARY 28, 2014

I.

AUTHORITY

The Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of Endo International plc (the “Company”) is established pursuant to Article 129 of the Company’s Articles of Association. The Committee shall be comprised of three or more directors (or their delegates) as determined from time to time by resolution of the Board. Members shall not serve on more than two public company audit committees simultaneously. Consistent with the appointment of other Board committees, the members of the Committee shall be elected by the Board at the annual organizational meeting of the Board or at such other time as may be determined by the Board. The Chairman of the Committee shall be designated by the Board upon the recommendation of the Nominating & Governance Committee; provided that if the Board does not so designate a Chairman, the members of the Committee, by majority vote, may designate a Chairman. The presence in person or by telephone of a majority of the Committee’s members shall constitute a quorum for any meeting of the Committee. All actions of the Committee will require the vote of a majority of its members present at a meeting of the Committee at which a quorum is present.

II.

PURPOSE OF THE COMMITTEE

The Committee’s purpose is to provide assistance to the Board in fulfilling its (1) legal and fiduciary obligations with respect to matters involving the accounting, auditing, financial reporting, internal control and financial compliance functions of the Company and its subsidiaries and (2) oversight responsibility relating to: (i) the integrity of the Company’s financial statements; (ii) the effectiveness of the Company’s internal control over financial reporting; (iii) the Company’s compliance with legal and regulatory requirements; (iv) the independent registered public accounting firm’s qualifications and independence; and (v) the performance of the Company’s internal audit function and independent registered public accounting firm. The Committee shall also prepare the Audit Committee report that SEC proxy rules require to be included in the Company’s

annual proxy statement. The Committee shall retain and compensate such outside legal, accounting, or other advisors, as it considers necessary in discharging its oversight role.

The Committee shall oversee the audit efforts of the Company's independent registered public accountants and internal auditors and, in that regard, shall take such actions as it may deem necessary to satisfy itself that the Company's auditors are independent of management. It is the objective of the Committee to maintain free and open means of communications among the Board, the independent registered public accountants, the internal auditors and the financial and senior management of the Company and to determine that all parties are aware of their respective responsibilities.

### III.

#### COMPOSITION OF THE COMMITTEE

(a) Each member of the Committee shall be an "independent" director within the meaning of the Nasdaq rules and Rule 10A-3 of the Exchange Act and, as such, shall be free from any relationship that may interfere with the exercise of his or her independent judgment as a member of the Committee. Notwithstanding the foregoing, as permitted by the rules of the Nasdaq, under exceptional and limited circumstances, one director who does not meet certain of the criteria for "independence" may be appointed to the Committee if the Board determines in its business judgment that membership on the Committee by such person is required by the best interests of the Company and its stockholders and the Company discloses in the annual proxy statement the nature of such person's relationship and the reasons for the Board's determination. A member appointed under this exception would not be permitted to serve longer than two years and would not be permitted to chair the audit committee. All members of the Committee shall be financially literate at the time of their election to the Committee or shall become financially literate within a reasonable period of time after their appointment to the Committee. "Financial literacy" shall be determined by the Board in the exercise of its business judgment, and shall include a working familiarity with basic finance and accounting practices and an ability to read and understand fundamental financial statements. At least one member of the Committee shall be an "audit committee financial expert," as defined by the SEC rules. Committee members, if they or the Board deem it appropriate, may enhance their understanding of finance and accounting by participating in educational programs conducted by the Company or an outside consultant or firm.

(b) Upon any changes in the composition of the Committee and otherwise approximately once each year, the Committee shall ensure that the Company provides the Nasdaq with written confirmation regarding:

(i) Any determination that the Board has made regarding the independence of the Committee members;

(ii) The financial literacy of the Committee members;

(iii) The determination that at least one of the Committee members is an “audit committee financial expert”, as defined by SEC rules; and

(iv) The annual review and reassessment of the adequacy of the Committee’s charter.

#### IV.

In addition, the Committee (or the Chairman) should meet or confer with the independent registered public accountants and management quarterly to review the Company’s periodic financial statements prior to their filing with the Securities and Exchange Commission (“SEC”). The Chairman should work with the Chief Financial Officer and management to establish the agendas for Committee meetings. The Committee, in its discretion, may ask members of management or others to attend its meetings (or portions thereof) and to provide pertinent information as necessary. The Committee shall maintain minutes of its meetings and records relating to those meetings and the Committee’s activities and provide copies of such minutes to the Board.
